AMENDMENT D AND RESPONSE UNDER 37 CFR § 1.111 (NON-FINAL ACTION)

Sir:

This amendment for the patent application identified above is in response to the Office action dated April 26, 2006, which set a shortened statutory period for response that expires on July 26, 2006. As confirmed with Examiner telephonically, this Office action is in response to a non-final Office action (the Office erroneously indicated the action was final, when in fact it should be appropriately non-final).

Amendments to the claims begin on page 2 of this paper.

Remarks begin on page 9 of this paper.

Kindly amend this application as indicated herein.
